Dear Ms. Ioffe:

Thank you for your letter of August 2, 2006. Based on the information given to me by the Federal Election Commission in reference to writing down the loans, we believe the calculations to be correct. Unfortunately, I forgot to include the phrase "Debt reduced by force of law" as a memo entry to these loans. We will file an amended return to reflect this statement.

As for the written letter stating that these loans are now contributions, we would prefer to keep our options open for the future. Should the regulation barring repayment of candidate loans amounting over \$250,000 twenty days after an election be challenged and overturned in the court system, we would have the ability to obtain repayment for these loans.

Thank you very much for your time and attention in this matter and we will be waiting to hear from you.

Sincerely,

Anthony Luczkiw, Treasurer
